

PRAYER TEAM INFORMATION 2017

24-7 Ibiza is a Christian community based in Ibiza. It is part of 24-7 Prayer International, an interdenominational prayer movement established in 1999 in Chichester, England. Based on shared community values of prayer, mission and justice, 24-7 Ibiza seek to make Jesus known in Ibiza.

Each year we welcome people from all over the world to spend 5 days with us praying for the summer work that is about to begin across the community, with a specific focus on the famous West End strip in San Antonio – one of the densest populations of bars and clubs in Europe.

The prayer team is often a highlight of the season as we hear from God and prepare the way for the coming months as thousands of people visit Ibiza. The prayer team is a great way to get involved directly in the work if the nocturnal summer rhythm is not for you.

As part of the prayer team you will:

Pray as we walk quiet streets, beaches, bars and clubs that will soon burst into life and activity.

Pray in significant and beautiful places on the island.

Pray in our centre – for the work and the people that we will meet.

Enjoy local food and share time with each other

Learn about the work of 24-7 Ibiza community and its vision for the future

Pray that God would drench this place with his presence, that people would be touched by his love and that they would know God's truth which sets them free.

So if you are wanting to be involved with our community for 5 days of #prayer and #learning, then please fill in the application form and return it to us.
